

R.I.C.H. Reading

Reading Is a Cool Habit is a PTO sponsored reading incentive program. Our goal is to promote a love of reading and in turn create a positive habit for the children. To participate, children need to follow the rules listed below.

- The program will run from Oct -May (8 months)
- Students keep track of the minutes they read outside of school on monthly log sheets. Reading material may be read to the child, or read independently
- Total your minutes at the end of the month and student and parent will sign the form
- Log sheets are due the *FIRST school day of the month* to be counted and to qualify for prizes. Students turning in sheets after this time may not qualify for prizes. Their minutes will be counted for monthly participation
- Students reaching the monthly reading goal will qualify for monthly prizes
- K-2 monthly goal is 225 minutes. 3-5 monthly goal is 450 minutes
- Special prizes are awarded mid-year (Jan) and end of year (May) for students with both 75% participation and reaching the monthly goals
